

Histology lab 2
Gastrointestinal Tract
Done by Joud Al-Zubaidi

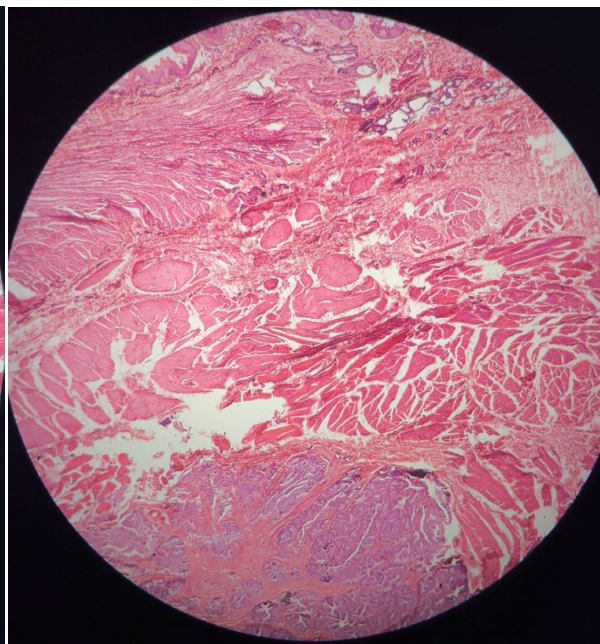

**Liver [Reticular fiber]
Silver impregnation**

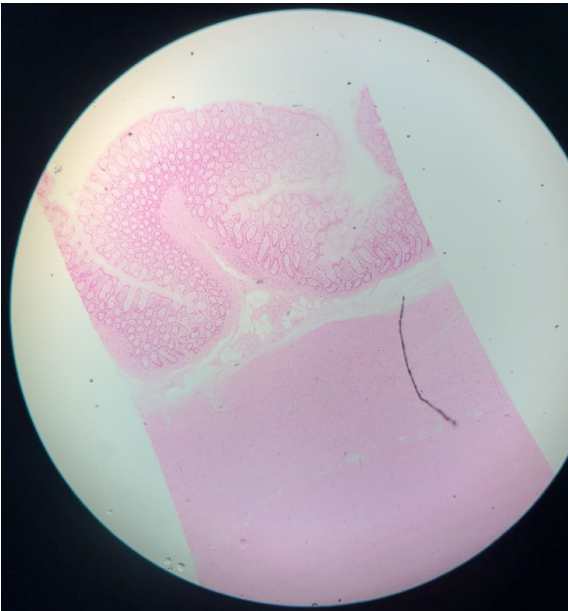

Liver [PAS Stain]

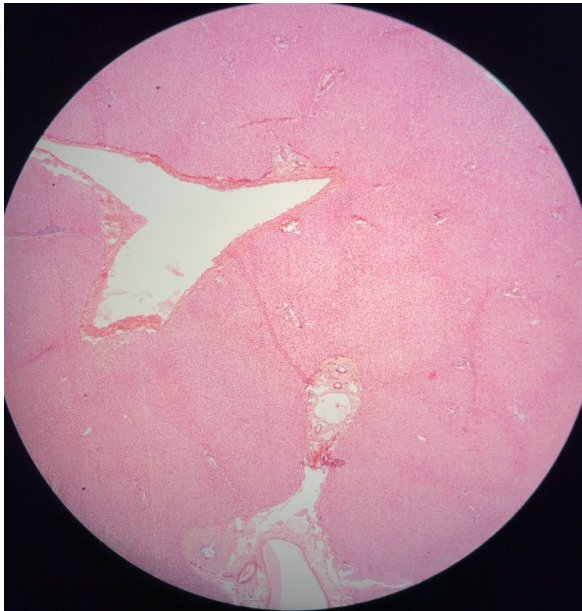

Anal canal

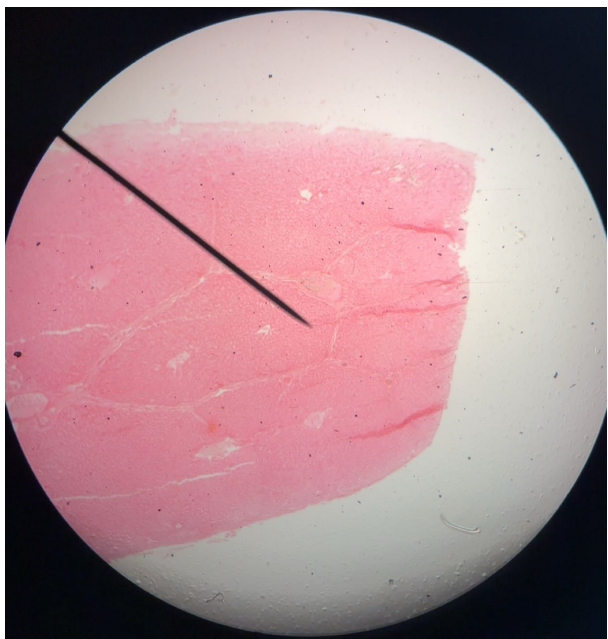

Recto - anal Junction

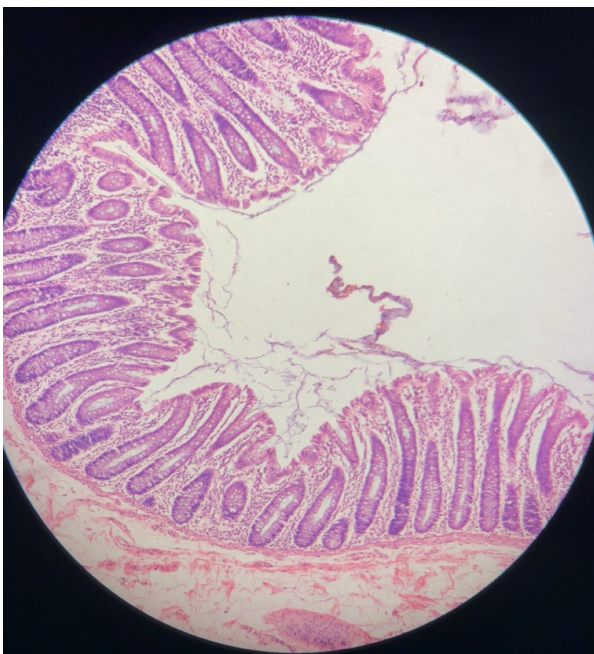

Rectum

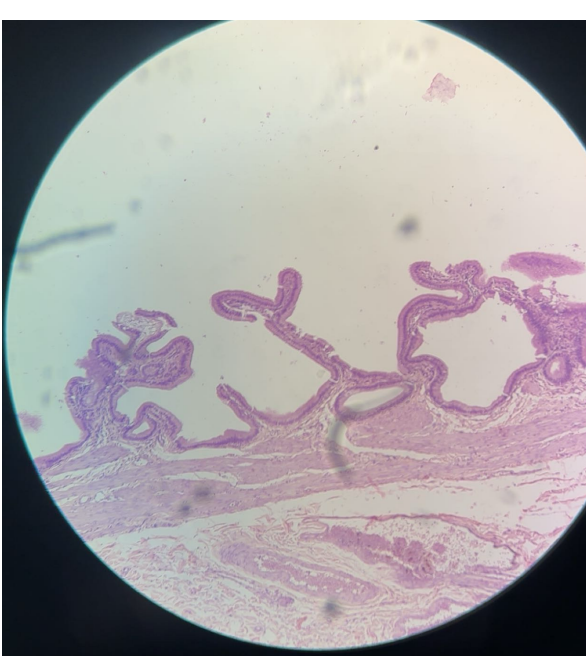

Liver Human H.E

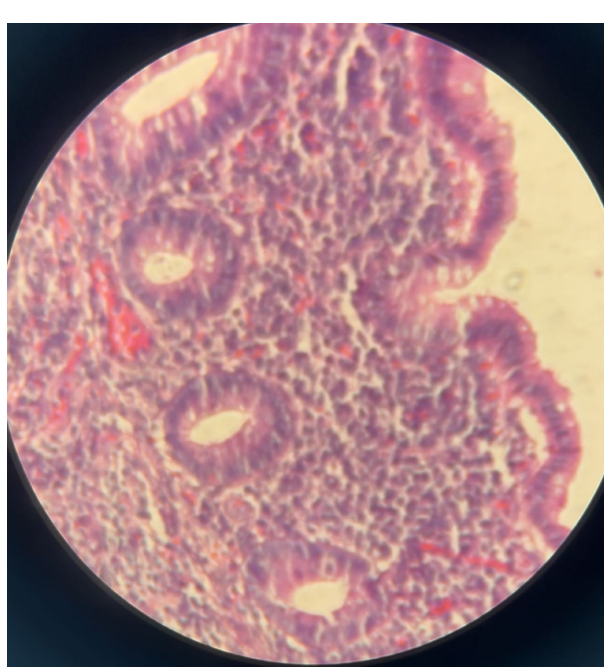

Liver animal H.E

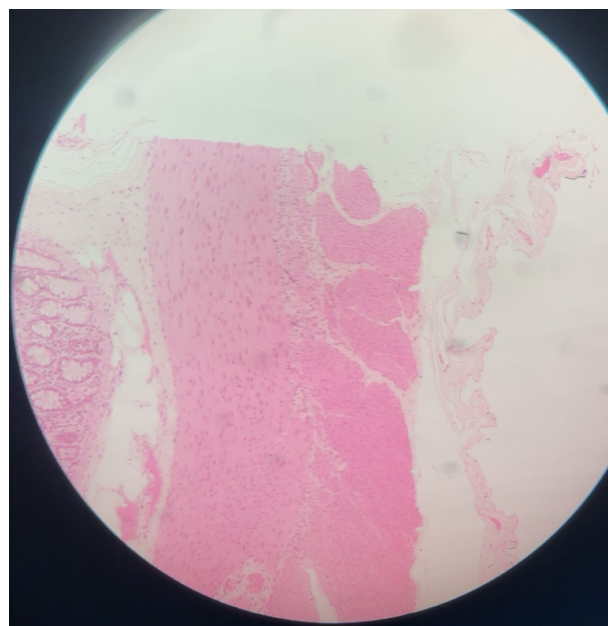

Large intestine colon

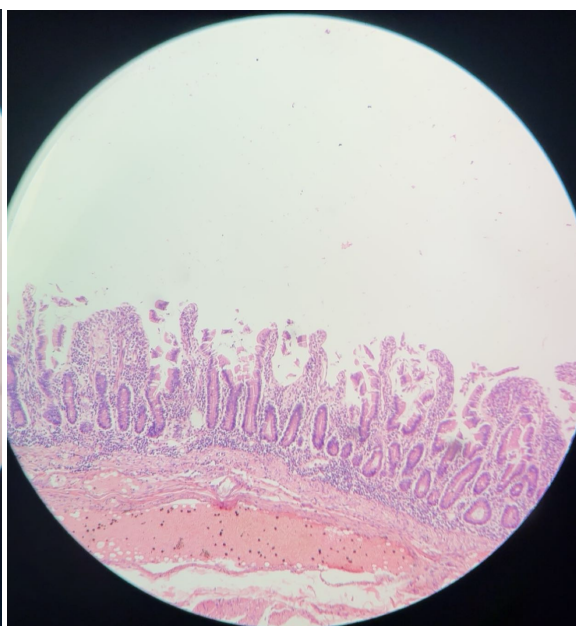

Gallbladder

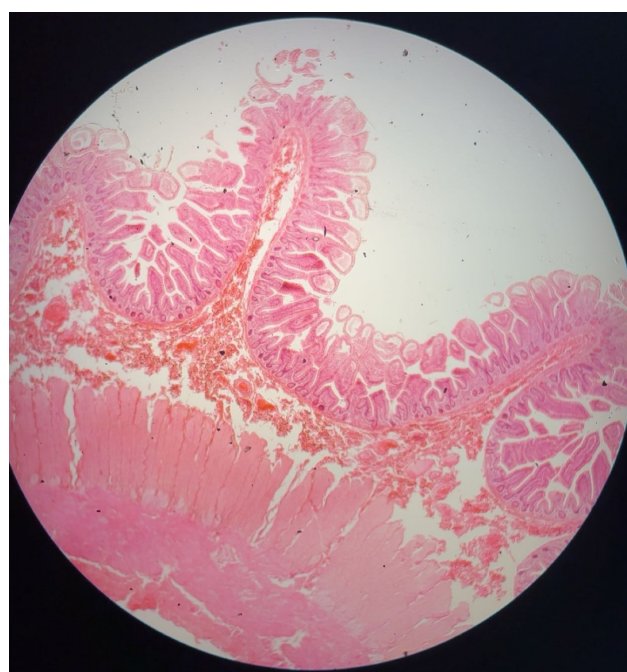

Appendix

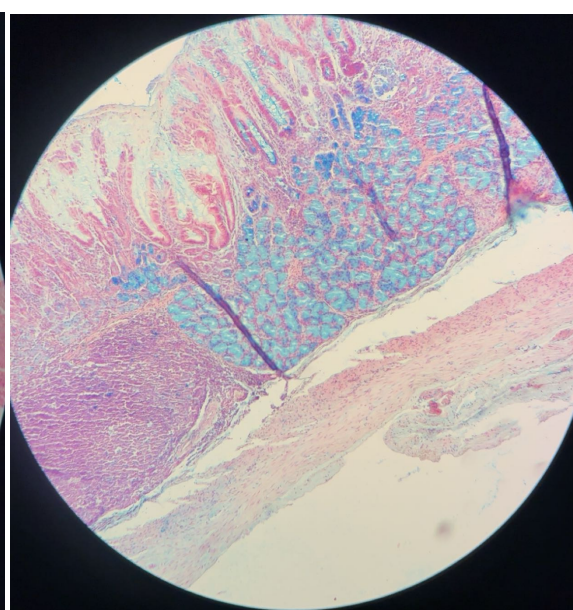

**Large intestine colon
Taenia Coli**

**Small intestine
[duodenum]**

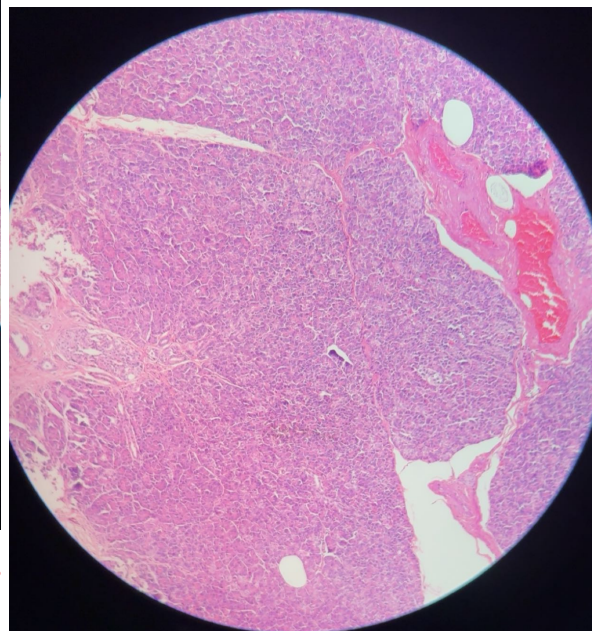

Small intestine [Jejunum]

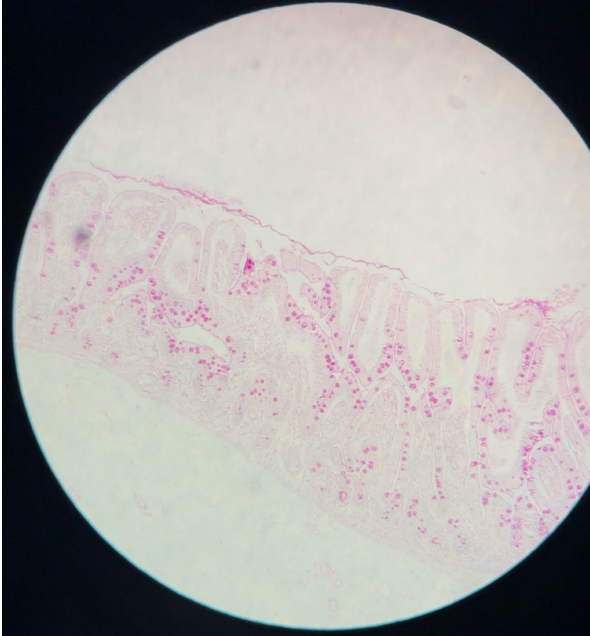

**Stomach - small intestine
junction
[Pyloric Sphincter]
Special stain mucus blue**

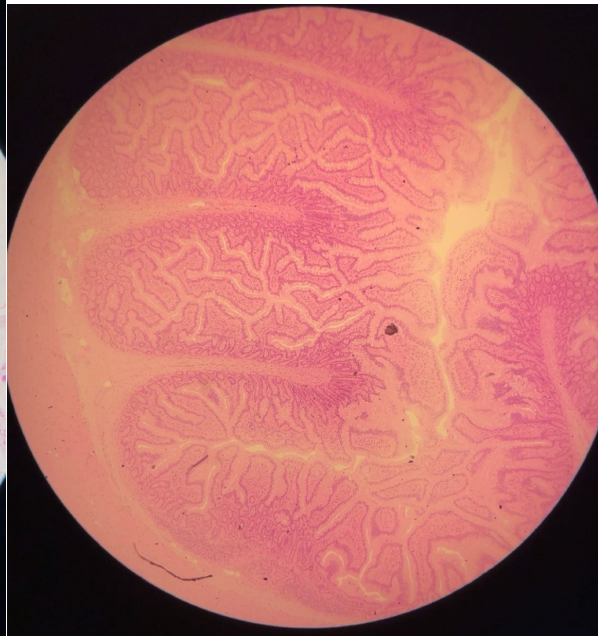

**Stomach - small intestine junction
[Pyloric Sphincter]
H.E stain**

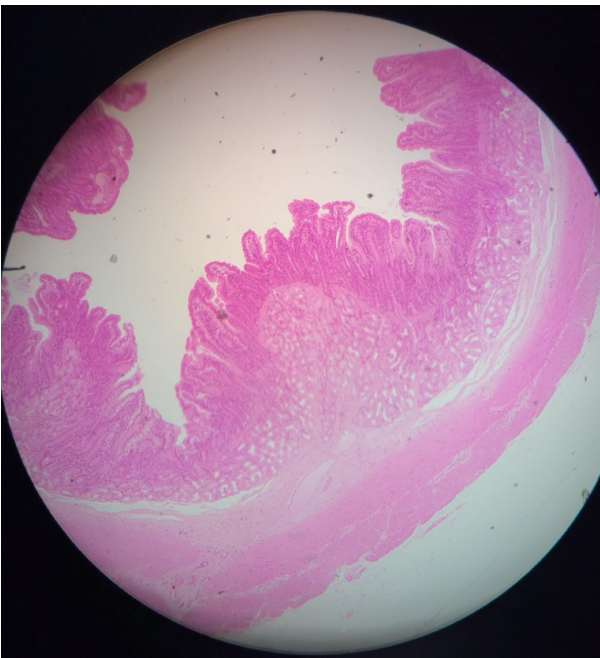

Pancreas

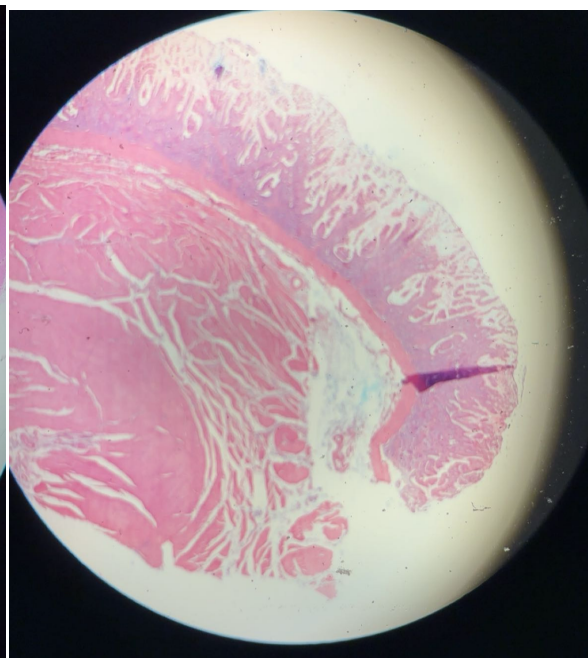

Jejunum [goblet cell]

Small intestine [ileum]

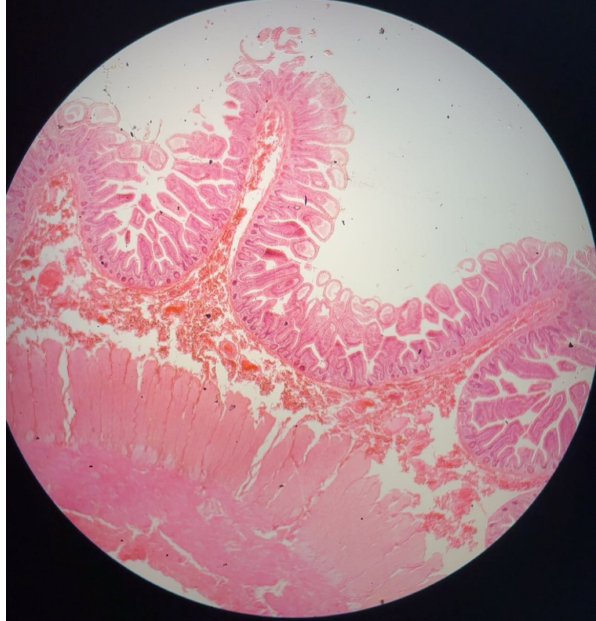

Small intestine [Duodenum]

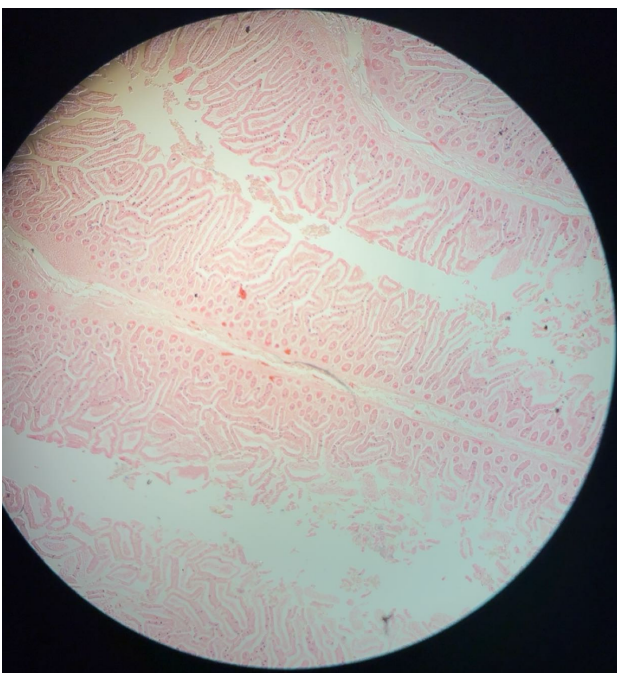

**Pyloric - duodenum Junction
Pyloric sphincter
Special stain mucus blue**

Small intestine [Jejunum]

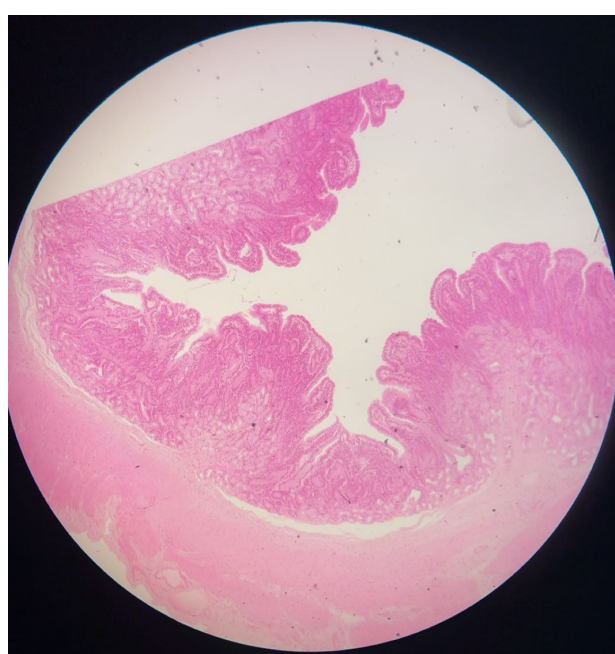

Jejunum [Goblet cells]

Small intestine [duodenum]

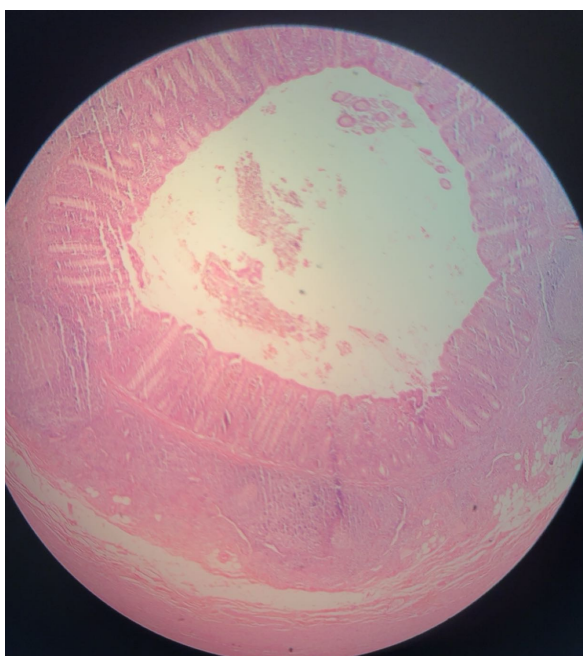

Small intestine [Duodenum]

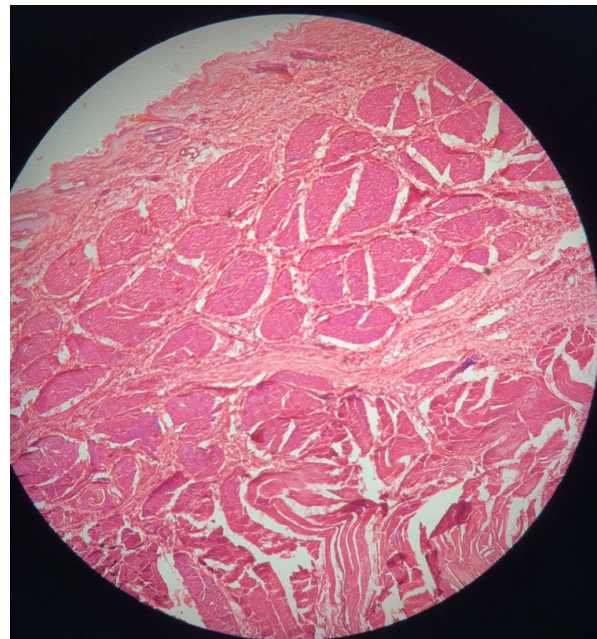

Large intestine Colon

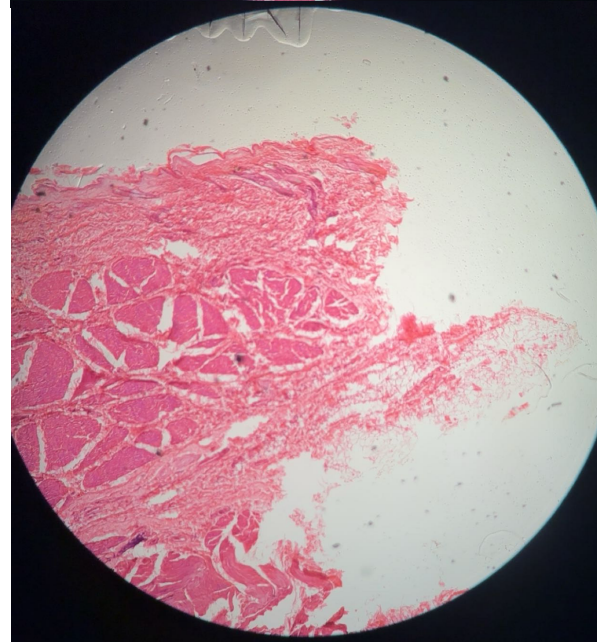

**Large intestine Colon
[Taenia coli]**

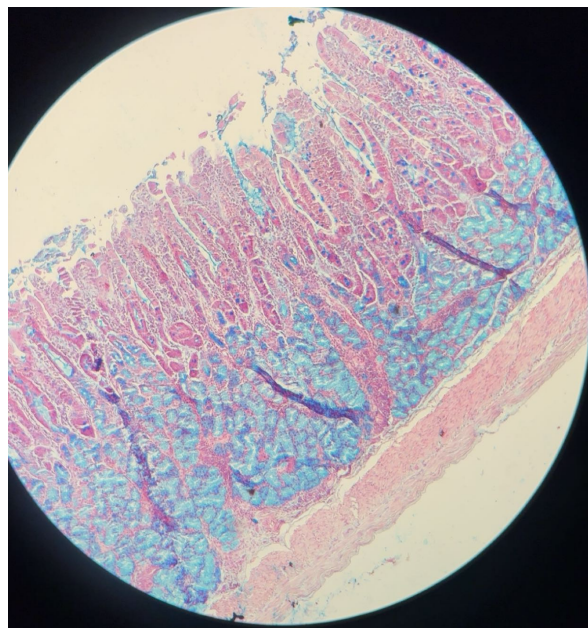

Appendix

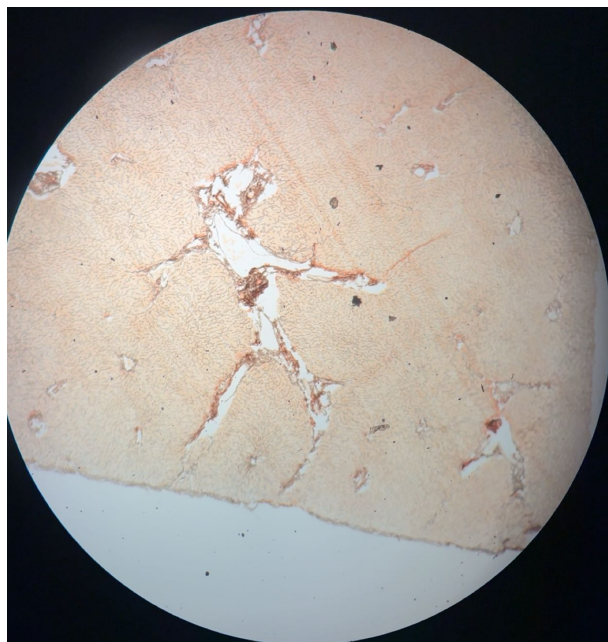

Recto anal Junction

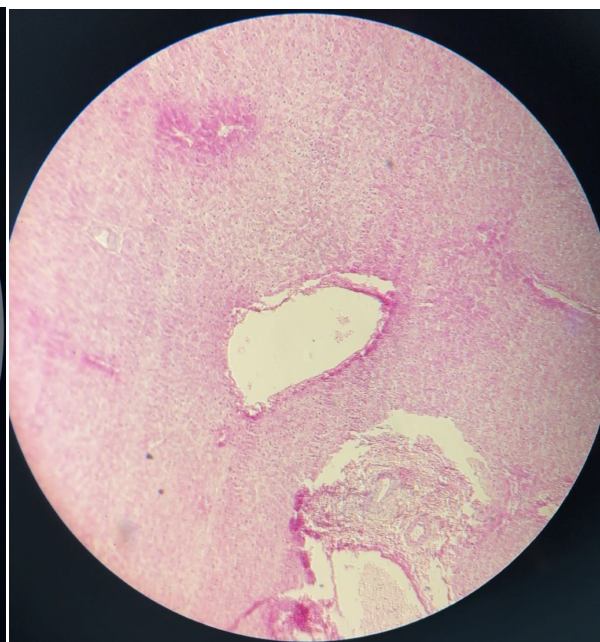

Anal canal

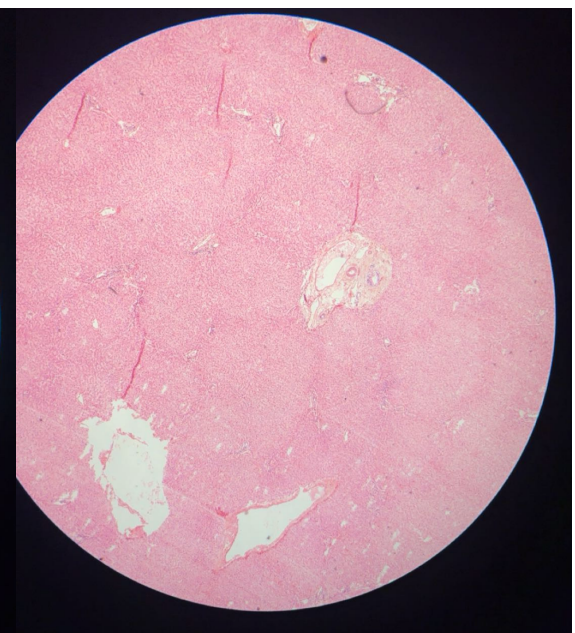

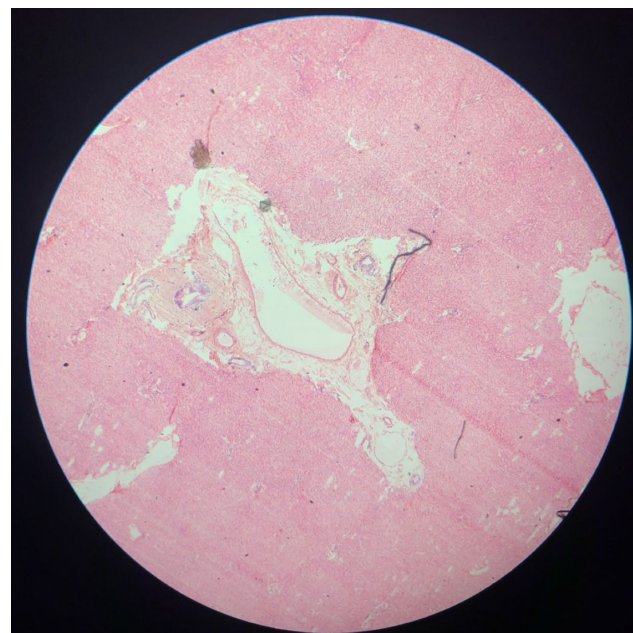

**Stomach - small intestine junction
[Pyloric Sphincter]
