

# FINAL CHECKLIST

Central Nervous System

Saturday, 11/04/2026

## ANATOMY

- Cerebral Cortex 1
- Cerebral Cortex 2
- Basal nuclei
- Anatomy of the ventricular system 1
- Anatomy of the ventricular system 2
- Anatomy of the cerebellum
- Anatomy of the diencephalon
- Blood supply of the CNS
- Development of the CNS
- Anatomy Lab

## PATHOLOGY

- CNS tumors 1
- CNS tumors 2
- CNS tumors 3

## BIOCHEMISTRY

- Stem Cells and neurodegenerative diseases 1
- Stem Cells and neurodegenerative diseases 2

## PBL

- Lec 1
- Lec 2

## BEHAVIOR

- Communication skills
- Stress
- Neurochemistry

## PHARMACOLOGY

- Anti depressants 1
- Anti depressants 2
- Anti psychotics
- General anesthesia
- Local anesthesia
- Bipolar disorder
- Parkinson's disease
- Alzheimer's disease
- Skeletal muscle relaxants and anticonvulsants

## PHYSIOLOGY

- Brainstem Motor Function
- Cerebellar Motor Function 1
- Cerebellar Motor Function 2
- Basal Ganglia and motor Function
- Spinal Cord Motor Function
- Cerebral Cortex motor function
- Cerebral Cortex (Higher Intellectual Functions) - 1
- Cerebral Cortex (Higher Intellectual Functions) - 2
- Brain Activity and Sleep
- Physiology Lab

## MICROBIOLOGY

- Acute Bacterial & Viral Meningitis
- Additional Meningitis Guidelines + Chronic Meningitis
- Space Occupying CNS Infections
- Eye and Middle Ear Infections
